(Coauthors: Senators Florez and Leno)

February 26, 2009

An act to add Section 4576 to the Penal Code, relating to correctional facilities.

LEGISLATIVE COUNSEL'S DIGEST

SB 434, as amended, Benoit. Correctional facilities: wireless communication devices.

Existing law establishes various offenses relating to the unauthorized provision of specified items to persons confined in local and state correctional facilities.

This bill would provide, subject to exceptions, that any inmate or ward who possesses any cellular telephone or other wireless communication device *or any component thereof, including, but not limited to, a subscriber identity module (SIM card) or memory storage device*, or any person who possesses with the intent to deliver, or delivers, to an inmate or ward in the custody of the Department of Corrections and Rehabilitation any cellular telephone or other wireless communication device *or any component thereof, including, but not limited to, a subscriber identity module (SIM card) or memory storage device*, is guilty of a misdemeanor, punishable by a fine not exceeding \$5,000. The bill would also provide that if a person visiting an inmate

is found to be in possession of a cellular telephone or other wireless communication device *or any component thereof, including, but not limited to, a subscriber identity module (SIM card) or memory storage device*, when searched or subjected to a metal detector, as specified, that cellular telephone or wireless communication device *or component* shall be subject to confiscation. The bill would require posted notices regarding those search and confiscation provisions, as specified.

By creating a new crime, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:
